Versatile

Offers multiple ways that you can work effortlessly: sitting, standing, and perching with height adjustment from 61.5–118 cm by pulling the under-seat lever or pumping the foot pedal.

125 kg
Weight Capacity

Ergonomic

The curve edged PU foam seat provides comfort to the hips and help align the spine while standing. Great for improving your posture.

Comfortable

The anti-fatigue mat with shock absorbing foam gives you a strong sole support and relieves stress for aching feet.

Non-slip weighted base supports a solid foundation when sitting down.

Convenient

Features two casters and a handle, simply grab the handle at the back of the seat and pull. Makes it extremely easy to move around in your home or office.
