## Portable Mini Tripod

Art. No.: AA0138

## PORTABLE, UNIVERSAL AND USEFUL

This Portable Mini Tripod provides a stable base for the camera; perfectly frame your subject and obtain crystal clear images. With the further advantage of being small and lightweight, it can be carried with you wherever you go. Great for photography enthusiasts, video streaming, business calls or catching up with family and friends.

### Place Your Camera Anywhere

Attach your digital camera, webcam, GoPro, microphone and smartphone adapters via the 1/4" screw. Simply put it on a table to act as a regular tripod.

### Film Horizontally & Vertically

Comes with a swivel ball joint that allows you to rotate the camera position 360° and tilt 90°. Great for customizing any shot.

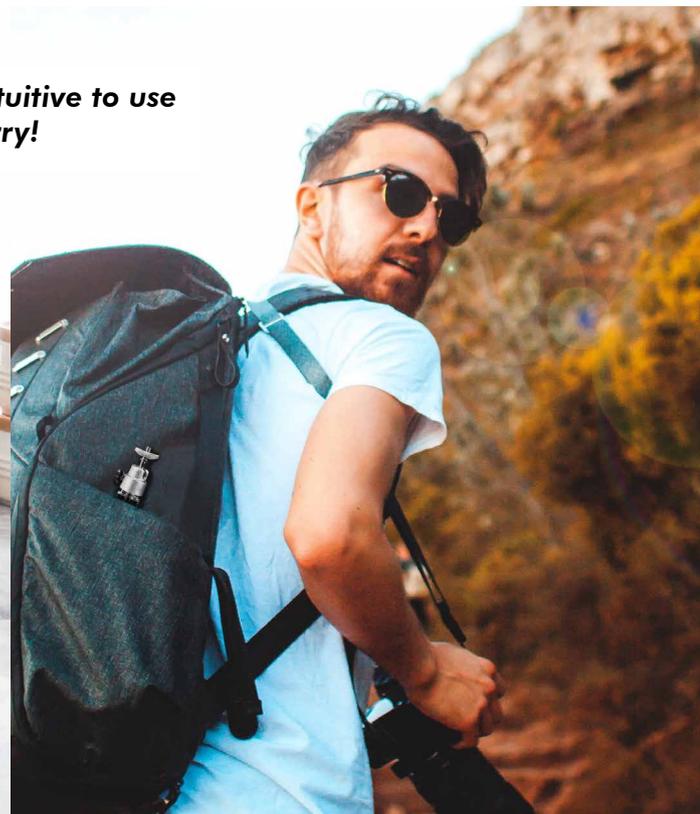

### Height Adjustable & Extremely Stable

Conveniently extend the legs from 12.5 cm to 20.5 cm as needed. The rubber feet guarantee a stable and slip-free foundation on any surface.

### Perfect for Home Office & On-the-GO

With adjustable legs, easily fits on a table or desk. Ideal for conference calls, presentations and video calls.
