Sony warranty policy

Warranty period

Finland

Warranty period is 24 months.

Sony handles end users product claim according to the Finnish consumer law.

Denmark

Warranty period is 24 months.

Sony handles end users product claim up to 2 years according to the Danish consumer law.

Sweden

Warranty period is 24 months.

Sony handles end users product claim up to 3 years according to the Swedish consumer law.

Norway

Warranty period is 24 months.

Sony handles end users product claim up to 5 years according to the Norwegian consumer law.

Conditions

- A Proof of Purchase is always required for warranty repairs. In case the product has not yet been sold to an end-customer, a copy of the Sony (or distributor) invoice/delivery/order document should be supplied.
- The Authorized Service Center will charge the repair and transportation cost in case the defect is not covered by warranty.
- For more information and warranty terms & conditions in local language, please visit www.sony.eu/support

Low cost product exchange

Low Cost product exchange is applicable on products with a sales price incl. VAT% to the end-customer below:

€ 100,- / SEK 1000,- / DKK 1000,- / NOK 1000,-

- Store personnel shall verify that the product has a warranty defect.
- Products with a confirmed warranty defect shall be exchanged by the store and reported to Sony.
- Sony will credit the value of the product, or the value of a similar current model.

Reporting defective Low Cost products

Finland

Credit requests should be raised through GP Tool

<http://ibiss.crse.com>

- A GP-Tool account can be requested Sony's dealer support (Page 2).

Denmark, Norway and Sweden

Credit requests should be raised via EMROX, Logiq RMA or Exchange according to individual agreement with Sony.

EMROX: www.emrox.net

- An account can be requested via the web page.

Logiq RMA: <http://ee-nett.no/ombytte>

- An account can be requested by contacting Logiq at + 47 94 13 43 00

REMARK	The exchanged product must be stored by the dealer for <u>one</u> month after the request for warranty exchange has been approved by Sony. Sony may request to have such products collected for inspection.
---------------	---

DOA Exchange

Sony consumer products have a 14 days DOA (Defect On Arrival) exchange policy.

The product must have been delivered from Sony Nordic during the last 3 months.

Defective or missing accessories do not permit DOA exchange

- *Please contact Sony's Dealer Support (page 2).*

All DOA cases has to be sent to a Sony authorized service partner for inspection in the original product package including a copy of the customer receipt or invoice/transportation document from Sony (or distributor), as well as a detailed description of the defect.

DOA exchange will be accepted if following criteria's are fulfilled:

- **Product is purchased less than 14 calendar days ago**
- Product is new, not dealer or demo unit (less than 100 using hours).
- The product has no visible signs of use
- Product has to be returned in the original packaging including all original accessories.
- The product should include a thorough fault description, a copy of the Proof of Purchase, a distributor invoice or an original Sony invoice, and it should be clearly stated that it is a DOA request.
- Defect is according to Sony's warranty terms and conditions.

When Sony's service partner has checked and accepted the exchange, the product will be credited to the dealer or distributor who bought the product from Sony.

The product will be returned in case Sony service does not find a warranty defect.

If the defect does not fulfil the DOA rules but fulfil the warranty terms, the product will be repaired and returned.
