USB 3.2 Gen1 / 3.1 Gen 1

# JetFlash 920

Introducing Transcend's high endurance, high performance JetFlash 920, a USB flash drive that is anything but ordinary. Boasting sensational read speeds of up to 420MB/s and write speeds of up to 400MB/s, the JetFlash 920 delivers top-notch performance in a sleek and portable design. Its aluminum metallic housing will safeguard your data wherever you go.
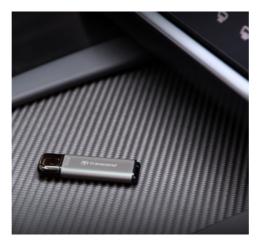

## Not your usual USB flash drive

The JetFlash 920 may look like your everyday USB stick, but it has performance that goes beyond that of ordinary flash drives. With up to 420MB/s read speeds and up to 400MB/s write speeds, you can transfer 4GB to the drive in less than 15 seconds. Simply plug it in and transfer all your 4K movies and high-resolution images in a flash.

Note: The JetFlash 920 comes pre-formatted in the FAT32 file format for broadest compatibility. If you wish to transfer a single file larger than 4GB, you will need to reformat the drive in another format such as exFAT.

## Endurance where it matters

Rigorous day-to-day use requires a USB with continued efficiency and durability. Whether you need to transfer a ton of graphics/HD videos on a daily basis, or use USB for write-intensive application, such as storage for the built-in dashcam in certain EVs, you can count on Transcend's JetFlash 920 to get things done without a hitch! These high-endurance drives have 10 times the lifespan of a regular TLC USB. The JetFlash 920 is sure to keep your important data secure and intact.

## Metallic radiance

Safeguard your data with Transcend's JetFlash 920, whose aluminum metallic housing with a sandblasted finish is as sturdy as it is sleek. Highly portable doesn't mean fragile, at least not with the JetFlash 920, whose durable design offers top-notch protection of your data inside and out.

**USB 3.2 Gen1 / 3.1 Gen 1**
# JetFlash 920

## Features

- Size of a USB, performance of an SSD
- USB 3.2 Gen 1 interface
- High-quality durable metallic texture and aluminum body
- Up to 420MB/s read, 400MB/s write speed
- Transcend Elite data management software

**Transcend Elite**

Transcend Elite is a data management software for external hard drives, USB flash drives and portable SSD products.
