## Hot Glue Gun, 40W

Art. No.: WZ0051  
WZ0054

### Glue Everything

All purpose glue gun suitable for gluing, sealing joints, and filling gaps, as well as for crafts and decoration projects around the house.

### Ergonomic and Safe Design

Compact and light weight design with a built-in stand that allows the glue gun to retain a stable upright position; also includes enhanced safety features such as an insulated nozzle and safety fuse.

### Easy to Use

Simply pop in a glue stick, warm it up for 3-5 minutes, then gently pull the trigger and start gluing.

Fits 11.2mm hot glue sticks (WZ0054)
