BP0209

Made in China

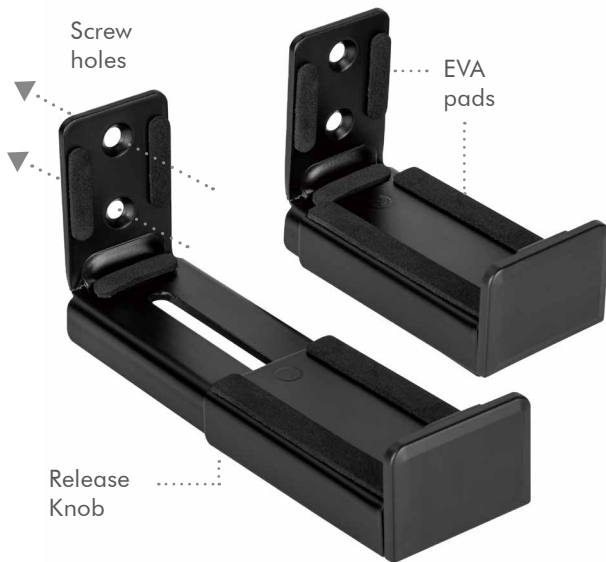

### Wide Compatibility

Adapts to various soundbars/speakers of 9–15.4 cm in width, while providing strong grip.

### Anti-Slip Pads

Soft EVA pads protect the soundbar from scratches while removing any vibrations from audio during use.

### Quick Release Knob

Adjust the width of the mounting bracket to the designated width with the knob at the bottom.

### Quick and Easy Installation

Simply screw to the wall at the position desired.

### Unobtrusive Design

Allows the eye to remain focused on the soundbar and not on the brackets.
