

LogiLink®

Speaker Floor Stand

For Sonos Era 100 & 300

Art. No.: BP0208
BP0208W

Designed to Fit Any Style and Space

Enhance listening experience with LogiLink Height Adjustable Speaker Floor Stands, the perfect solution for Sonos Era 100 & 300 speakers. Designed to seamlessly integrate with the sleek design of Sonos Era speakers, this floor stand provides a stable base while enhancing the aesthetics of audio setup. Adjustable height allows speakers to be placed at ideal listening height. Hidden cable management keeps wiring organized and protected.

Sleek and Stable

The mount on the stand secures the speaker firmly for safety, and elevates to the desired height for enhanced sound projection.

Heavy Duty

Metal construction with max. weight capacity of 5 kg.

Adjustable Height

Puts the speaker at the ideal listening height.

Internal Cable Routing

Keeps cables concealed in column and organized.
