

Panasonic

SC-PMX112E-K

Black

The SC-PMX112 is designed for listeners who want greater sound performance and more ways to enjoy their favourite music. Its powerful 180W 2-way speaker system delivers impressive clarity and depth, while Wi-Fi connectivity opens the door to Internet Radio, Spotify Connect and wireless streaming. Combined with a refined design, wooden speaker cabinets and an intuitive, colourful 2.8-inch LCD, it offers a richer and more connected listening experience every day.

- **Immersive Sound Performance** – 180W output with dedicated tweeters delivers powerful, detailed audio.
- **More Ways to Listen** – Internet Radio, Spotify Connect, Bluetooth®, CD and DAB+ give you access to music from virtually any source.
- **Refined Design & Easy Control** – A premium finish, large, colourful 2.8-inch LCD and remote control make every day listening effortless.
