

Panasonic

SC-PM302E-S

Silver

Designed to fit naturally into your home and daily routine, the SC-PM302 brings together balanced stereo sound, wireless music streaming and easy operation in one compact system. Whether you're rediscovering your CD collection, tuning in to DAB+ radio or streaming music from your smartphone, it delivers clear, enjoyable sound throughout the day. Its minimalist design, wooden speaker enclosure and colourful 2.4-inch LCD make it as easy to live with as it is to listen to.

- **Enjoy Powerful & Clear Sound** – 60W output and full-range stereo speakers deliver rich, balanced audio.
- **Enjoy Music Wirelessly** – Bluetooth®, DAB+ and FM radio offer flexible listening options every day.
- **Easy & Convenient to Use** – Colourful 2.4-inch LCD, remote control and local-language menus make operation simple.
