

## KEY POINTS

- Bluetooth 5.1 APTX HD
- Optical in
- RCA phono / Line in
- AUX input
- XLR output

## DESCRIPTION

The Tangent preAmp III is a compact stereo preamplifier designed to provide simple and complete control of your audio sources.

Featuring a new, more modern design and now equipped with a Trigger Out, it can automatically drive a power amplifier like the Power Ampster III.

It retains its versatility thanks to its numerous analogue and digital inputs, integrated DAC and Bluetooth 5.1 aptX-HD connectivity.

## SPECIFICATIONS
