

KEY POINTS

- 2 X 100 W (stereo mode)
- 1 X 200 W (bridge mode)
- XLR & RCA input
- Wake up signal

DESCRIPTION

The Tangent PowerAmpster III is a compact, high-performance power amplifier, ideal for powering high-fidelity loudspeakers in a hi-fi or home cinema system.

This new generation features a modernised design and the addition of a 12V trigger input, making it easy to integrate into a connected installation.

Versatile and powerful, it delivers up to 2 x 100 W into 4 ohms while retaining a discreet, elegant format.
